

# Expertise extends to Northern News

LOCAL newsagents Barry and Gayle Humphries recently purchased the Northern News newsagency at Gawler Central, previously known as Northern Market Shopping Mall.

The couple bought the store in September last year, further reinforcing their commitment to providing quality goods with friendly service throughout the stores.

They loved the idea of owning and managing their own business, as well as being a part of a local community, so when the opportunity arose to buy Gawler Newsagency in 1995, they moved to Gawler from the South East.

Now they run the Gawler Newsagency in Murray street, the Phoenix Plaza lottery kiosk and, of course, the latest addition to the group, Northern News.

"We love it, we have been in Gawler for over 16 years now," said Barry.

"We sponsor three local football and netball teams.

"Of course, we also love being able to support local charities as well."

Barry and Gayle also employ 12 local staff members, who are all happy to assist customers with any query they may have.

They are proud to offer their customers personalised, helpful, friendly service in all of their stores.

On a typical day you will find Barry at Gawler Newsagency in Murray street and Gayle at Northern News, with staff members Debra, Di, Talitha, Jordan, Meg, Bridie, Nicole, Stacey, Skye, Charlotte and Sarah all switching around shifts between the three stores!

The best thing about Northern News is that it is not just your typical newsagent.

Stocking an extensive range of magazines, newspapers, cards, stationery and gifts, Northern News has so much more to offer.

There are specialty cards; social stationery, like journals and travel diaries; and a variety of novel gift items.

Office supplies, including financial year diaries are also available.

If you are running out of ink for your printer, check out the great range of ink cartridges at everyday low prices – there is a new catalogue out soon.

You can also top up credit for your prepaid mobile, buy stamps, Adelaide Metro tickets, and if you need a pair of reading or sunglasses, there is also a great range of Passport eyewear to choose from.

New in store is a range of Artee paper and card supplies on the back wall, which is a great way to create your own invitations, cards and so much more if you have a creative streak.

You can even check out the website at [www.arteesupplies.com.au](http://www.arteesupplies.com.au) and the newsagent can order the stock for you.

There is also a table of remainder books and warehouse clearances on offer at Northern News, which is a great way to find a bargain.

With novels, recipe, puzzle and children's books to choose from, the selection changes all the time, so make sure you take a look when you are next in the area.

Northern News is also an agent for SA Lotteries and Gawler Dry Cleaners!

So next time you are at the newsagent, introduce yourself to Gayle and the staff and have a look at what's new.

Northern News is situated opposite Coles and is open six days a week – Monday, Tuesday, Wednesday and Friday 8.30am to 5.30 pm; Thursday 8.30am to 7pm; and Saturday 8.30 am to 5pm.

Barry and Gayle would like to take this opportunity to thank their customers for all their ongoing support and welcome new customers to the newsagent family.

Gayle and Barry Humphries from Northern News newsagency are committed to providing quality goods and friendly service in all of their Gawler newsagent outlets.
